

*1115 Luchessi Drive, San Jose, California 95118  
408.265.8811*

Wildwood Veterinary Hospital San Jose will now be allowing limited clientele inside the building. Our front lobby will remain closed. Medication and food pick ups will be strictly curbside. Clients are to wait in their cars until a technician is available to escort them to their exam room.

Curbside services are still available.

Only one client may be allowed in the building for the exam duration. Said client must be above 18 years of age, financially responsible for the patient(s), and capable of making any and all medical decisions for the patient(s).

At this time, no one under the age of 18 years may enter the building. Children (individuals under the age of 18 years) and other pets may not be left unattended in the car.

Clients are required to wear a mask covering both their mouth and nose at all times while inside the building.

Clients will do their best to social distance from the Wildwood Veterinary Hospital staff and any other clients who may be in the building.

Upon entry, clients will be asked to sanitize their hands with the provided hand sanitizer.

Failure to adhere to these guidelines will result in the client being asked to return to their vehicle for the remainder of the appointment.

By signing below, I hereby state I agree to all terms on this document.
